

FCC Virtual Masterclass

**COME DESIGN A LEATHER CLUTCH BY HAND WITH
FASHION FIGHTS CANCER!**

Don't let the quarantine blues beat you down!

Design something fabulous to wear when this is over

MATERIALS

1. Supple cow skin for a softer shell hand-bag
 - 16 inches by 23 inches without lining
 - 32 inches by 23 inches with lining
2. Veg tanned leather for something harder and not lined
3. 2x harness needle blunt needle
4. Waxed linen thread
5. X-acto knife
6. Metal ruler (40cm-50cm)
7. Poly cutting board
8. Leather punch hole
9. Double-sided tape
10. Sanding paper
11. Stitching prongs
12. Chicago screws or stud screw
13. Mallet (if not available, hammer and a piece of cloth hammer)
14. Scratch awl

Optional Materials

15. Beeswax
16. Any type of hardware (buckles, closures, sliders...)
17. Bag punch hole (multiple size)
18. Non toxic leather glue (water based) for a lined bag & a small paint brush (If not using double sided tape)
19. Edge paint & edge paint roller
